**ROLAND CORPORATION U.S. WELCOMES HOME A SOLDIER**

**Los Angeles, CA, October 21, 2015** — The staff at Roland Corporation U.S. participated in a special surprise homecoming at their headquarters in Los Angeles. Mary Ann Sherman from Roland's Sales Administration Department was treated to a memorable day when her daughter, U.S. Army Specialist Kim Sherman, completed her service a few months early and arrived home ahead of schedule. As far as her mother knew, Kim was not due home until later this year.

Roland caught wind of the early homecoming and planned something special to surprise Mary Ann. Her co-workers organized a party and decorated Roland's video studio to give it a patriotic touch for this special day. Roland Corporation U.S. officers, directors and employees celebrated and posed in photos with Mary Ann and Kim, for a homecoming none of them will ever forget.

"Our employees are our extended family, so we wanted to create a special memory for Mary Ann and give her daughter a warm 'Welcome Home' from our team," noted Jay Wanamaker, President & CEO of Roland Corporation U.S.
