V-MODA Showcases Hexamove Series True Wireless Earbuds During CES 2022 Digital

The Newly Available Models – Lite and Pro – Offer 6mm Drivers, Six Hours Of Playback On A Single Charge, and 18 Extra Hours With The Charging Carry Case.

Los Angeles, CA, January 4, 2022 – [V-MODA](#), award-winning manufacturer of the world's finest high-fidelity audio devices, showcases [Hexamove](#) at CES 2022 - its first series of true wireless earbuds. Combining V-MODA's signature sound, beloved by DJs, musicians, and fans worldwide, with the freedom of limitless movement, Hexamove are now available in two models: Lite and Pro. Featuring extensively researched ergonomics for a secure fit and stylish design, each model offers six hours of playback on a single charge and 18 more hours with the charging carry case.

Hexamove are the pocket-sized upgrade to your everyday life, boasting a stylish design made for impeccable sound quality thanks to 6mm drivers, which deliver powerful bass, vibrant mids and pristine highs with a barely-there look and feel.

[Hexamove Lite](#) comes in three striking colors to suit every style. A slim, lightweight design with BLISS (Bass Level Isolating Soft Silicone) fittings in three sizes offer all-day ergonomic comfort and superior sound isolation to enhance your daily audio experience.

Meanwhile, [Hexamove Pro](#) is available with six different options of fitting and customization. Built in the form of V-MODA's classic heritage hexagon, Hexamove Pro ensures the most comfortable and secure fit possible with a combination of fins, ear hooks and BLISS in-ear fittings in three different sizes. Choose the right combination for you and your daily routine with the added option of attaching the neck strap and stabilizer for added peace of mind when the earbuds are not in use. Hexamove Pro also works with the V-MODA app, allowing users to completely customize their audio experience via the EQ Tool.

It's easy to and change Hexamove Pro's look to suit your mood in no time at all with Hexamove Pro's interchangeable decorative shields (extra sets in Silver and Bronze included). Each model also comes with the option to add an extra pair of shields with a monogram or custom V-MODA design for a truly personal touch.

Staying true to V-MODA's dedication to durability and reliability, Hexamove Lite and Pro are IPX4 sweat, water and dust resistant and tested to the strictest V-MODA durability standards. All Hexamove series models come with a carry case that doubles as a charging station for 18 hours of extra battery, providing a full day of playback.
