## ROLAND CONTINUES TO EXPAND PREMIUM ACCESSORIES LINE

### *Accessories Line Offers Convenient Solutions in All Product Categories*

**The NAMM Show, Anaheim, CA, January 18, 2017** — Roland (Booth 300A, Level 3) has expanded its lineup of premium music accessories available through authorized Roland and BOSS dealers. New products include piano benches, road cases, and more, as part of their expansive line of more than 100 products in nearly every musical instrument category. Built to the same standards of quality and durability that the company's instruments are famous for, Roland and BOSS accessories deliver top-level performance for musicians, DJs, producers, audio engineers, and hobbyists.

New products include:

**Piano Benches:** A full assortment of piano benches offers a perfect match for Roland's industry-leading Electronic Piano lineup. The benches come in a variety of sizes and colors, and feature heavy-duty construction for lasting durability. Models include under-lid storage and height adjustment ability, plus color matching to complement each Roland piano.

**Road Cases:** Tough and durable, the new Roland Black Series road cases provide maximum protection for traveling musicians and audio engineers. The tour-ready designs feature plywood construction with durable black vinyl laminate covering, riveted aluminum valances, heavy-duty carry handles, and more. Models include cases for a variety of keyboard sizes, plus rack cases for audio gear in 2, 4, 6 and 8-space versions.

**Professional MIDI Cables:** The Roland Gold Series cable line now includes MIDI cable models. These high-end cable models are designed to work with all generations of MIDI products and feature a 4 conductor configuration and a woven tweed jacket.

"Our growing lineup of premium accessories enhances our core products and the Roland and BOSS brands," says Niko Spanos, Roland's general manager of global accessories. "We are constantly developing new and innovative solutions, ensuring that our customers always have top-quality accessory options to complement and protect their Roland and BOSS gear."
