Roland Announces ZENOLOGY GX for iPad

The Acclaimed ZEN-Core Synthesis System Captured in a Powerful Standalone Instrument for iPad

Anaheim, CA, January 20, 2026 — Roland announces the upcoming release of [ZENOLOGY GX for iPad](#), the first flagship Roland instrument designed for Apple's tablet platform. Delivering the core feature set of the recently introduced ZENOLOGY GX for macOS and Windows, this new version brings Roland's acclaimed ZEN-Core Synthesis System to a standalone instrument for iPadOS.

ZENOLOGY GX for iPad puts thousands of genre-defining Roland sounds at the fingertips of performers and creators, complemented with a modern high-definition UI, an advanced sound browser, integrated creative tools, and much more.

ZENOLOGY GX for iPad is scheduled for release in early 2026 as a free download with all features unlocked for a limited time. After the debut period ends, the instrument will be available through free and premium Roland Cloud memberships or a Lifetime Key purchase.
