Roland to Debut Several Exciting New V-Drums Instruments During #TotallyDrums Event and Live Keynote May 8

Roland #TotallyDrums Event and Live Keynote

Hamamatsu, Japan, May 1, 2018 — Roland announces plans to debut several exciting new V-Drums instruments during its #TotallyDrums event and live keynote on May 8, 2018. #TotallyDrums is an exclusive gathering for high-profile percussion artists and internet influencers, VIP media, and a team of V-Drums product specialists and engineers to join together to celebrate the beginning of a new chapter in the Roland V-Drums story.

The keynote kicks off at 10:00 AM PDT live from the #TotallyDrums event during the grand opening of Roland's new Los Angeles Artist Relations Center. Percussion fans from around the world are invited to watch the keynote on the [Roland V-Drums Facebook Page](#) and join the celebration.

"Roland's category-defining V-Drums have earned a reputation as the best-playing, most musical, and highest-quality digital drums available, and we're thrilled to offer real-time access to the #TotallyDrums event keynote with our ever-growing family of V-Drums fans," added Roland Corporation Vice President of Global Marketing Paul McCabe.
